### **Expert Lecture on Social Media Safety: Ensuring Your Online Presence Event Report**

#### **Event Overview:**

- Event Name: Expert Lecture on Social Media Safety: Ensuring Your Online Presence
- Organized By: ALGO Club, PSIT
- Location: PSIT Kanpur
- Venue: K14 Lecture Hall
- Date: December 5th, 2024
- Time: 09:30 am – 11:00 am

#### **Event Description:**

The Algo club at PSIT hosted an expert lecture on social media safety for B.Tech. 2nd-year students. The lecture featured Dr. Anand Handa, Senior Vice President at DFIR, C3i, IIT Kanpur. Dr. Handa shared insights on safeguarding personal information, identifying social media threats, and best practices in cybersecurity. Students gained valuable knowledge from an expert to enhance their online safety awareness.

Dr. Handa brought a wealth of knowledge and experience in the field of digital forensics and incident response, establishing himself as a prominent authority on cybersecurity. During the lecture, he delved into the critical aspects of maintaining safety on social media platforms, emphasized the latest trends, potential threats, and best practices to protect personal information.

#### **Key Highlights of the Event:**

- Understood the importance of social media safety.
- Identified common threats and vulnerabilities on social media platforms.
- Learned effective strategies and best practices for safeguarding personal information.
- Gained insights into digital forensics and incident response.

It was a valuable opportunity for all attendees.
