

Event - PicGenAI

Venue: Lab (C-31-32-33)

Date: 09 July 2024

Time: 15:15 - 16:55

Event Description:

PicGenAI, an Image Generation Contest organized by the ALGO Club at PSIT, Kanpur, focused on generating the club's logo through AI prompts. The event was conducted in two rounds. Participants were judged based on the length and effectiveness of their prompts, the quality of the generated output, and the number of attempts made. Shorter, precise prompts that resulted in high-quality logos with fewer attempts were scored higher, encouraging participants to be concise and creative in their approach to logo generation.

Round 1: Thematic Image Creation

Objective: Participants are given a theme and must craft an AI-generated image using Bing's Image Creator. The goal is to use the fewest attempts, write concise prompts, and produce the best output.

Round 2: Quiz Round (Online Mode-MCQ)

Objective: Participants answer questions on cutting-edge technologies, including Data Science, Machine Learning, and Cyber Security.

Participation Details:

- Team Size: Individually
- Registration Process: By scanning QR given in poster
- Last Date for Team Registration: 07 July 2024
