

Sports Events and Activities Report - October 2023

1. Chess Tournament

Date: 4th October 2023 - 14th October 2023

Participants: 57

Venue: Boys Hostel B

Arbiter: Committee Member

- **Significant Outcomes:**

- 1st Place: Satwik Gupta
- 2nd Place: Shivanjay Mishra
- 3rd Place: Akarsh

- **Challenges Faced:**

During the organization of the Chess Tournament, several challenges were encountered:

- **Scheduling Conflicts:** Coordinating matches to accommodate the availability of 57 participants, each with varying academic schedules, presented a significant scheduling challenge. Ensuring that matches did not coincide with crucial classes and exams was a priority.

- **Equipment Shortages:** Due to the large number of participants, there was a shortage of chess sets and timers. Acquiring sufficient equipment to cater to the needs of all players proved to be a logistical challenge.
- **Venue Availability:** Securing the Boys Hostel B as the tournament venue faced hurdles, as it was occasionally booked for other events. This necessitated careful negotiation and advance planning to secure the venue for the duration of the tournament.
- **Technical Support:** Providing adequate technical support for recording match results and resolving disputes posed a challenge, as there was a need for specialized software and personnel to ensure accurate and efficient tournament management.
- **Promotion and Participation:** Attracting a diverse pool of participants and promoting the tournament effectively required extensive marketing and outreach efforts, which presented a challenge in reaching all potential participants.
- Summary:

The Chess Tournament held from October 4th to October 26th, 2023, at Boys Hostel B was a resounding success with a total of 57 enthusiastic participants. The tournament was keenly contested, showcasing some remarkable chess skills. The event concluded with three notable winners: Satwik Gupta secured the 1st place, Shivanjay Mishra claimed the 2nd position, and Akarsh emerged as the 3rd-place winner. The competition was fierce, and these winners demonstrated exceptional strategic thinking and prowess on the chessboard. The event was smoothly conducted under the guidance of a dedicated Arbiter from the Energy Club. The club had to face numerous challenges in organizing the tournaments. However, These challenges were effectively addressed through meticulous planning, resource allocation, and close coordination among the organizing committee members, resulting in the successful execution of the Chess Tournament.

2. Kabaddi Tournament

Date: 4th October 2023 - 14th October 2023

- **Significant Outcomes:**

1st Place: Team Aryan Mishra CS Team

2nd Place: Team Shivshankar BBA Team

3rd Place: Team Gaurav COE

- **Notable Occurrence:**

Frequent arguments and disputes arose between the teams during the matches. However, these disagreements were quickly addressed, thanks to our vigilant referees, Prahalad Sharma Sir and Anshu Anurag Sir, and the committee members who ensured unbiased and fair judgment. Remarkably, the players involved displayed the true spirit of sportsmanship by resolving conflicts amicably and continuing the matches with respect and mutual understanding. This sportsmanship added an extra layer of excitement to the tournament and highlighted the values of fair play and camaraderie among the participants.

- **Problems Faced:**

The organization of the Kabaddi Tournament encountered challenges in field allocation and the development of a tournament schedule that accommodated the academic commitments of the players without hampering their academics

and training. Ensuring that the players had sufficient time for their studies and other responsibilities while participating in the tournament demanded meticulous planning and coordination.

- Summary:

The Kabaddi Tournament, held from October 4th to October 26th, 2023, at the Boys Volleyball Court, witnessed the active participation of 23 teams. This physically demanding sport garnered an enthusiastic audience who enjoyed the impressive display of athleticism and teamwork. After a series of exciting matches, Team Aryan Mishra CS emerged as the champions, securing the 1st place. The 2nd place was claimed by Team Shivshankar BBA, and the 3rd place was taken by Team Gaurav COE. The event was efficiently officiated by the distinguished referees Prahalad Sharma Sir and Anshu Anurag Sir, who ensured a fair and exciting competition for all the teams.

- Problems Faced:

- **Weather Dependence:** Outdoor athletic events are susceptible to weather conditions. Unforeseen rain or adverse weather can disrupt the schedule and pose safety concerns for participants.
- **Track and Field Maintenance:** Ensuring that the track, field, and equipment for jumps and throws are in optimal condition requires regular maintenance and could face unexpected issues.
- **First Aid and Medical Support:** Handling potential injuries or health issues among participants during physically demanding events demands the presence of trained medical staff and access to medical facilities.
- **Participant Safety:** Ensuring the safety of athletes during high-intensity events like jumps and races is paramount. The committee must have safety measures in place to prevent accidents.
- **Scoring and Timing:** The accurate recording of results in races and measurements in jumps and throws can be challenging without proper timing and scoring equipment. Mistakes in recording results can cause disputes.
- **Crowd Management:** Athletic events often draw large audiences, and crowd management to maintain order and safety can be a logistical challenge.

- Summary:

However, In the face of various challenges, the Athletics Meet of October 2023 demonstrated the extraordinary athletic talents of our participants, fostering a spirit of healthy competition and camaraderie on campus. These events were meticulously organized and managed by the dedicated Energy Club. The club was responsible for briefing participants on the rules, ensuring the proper setup

of the tracks, and overall event management, including fair and impartial judgment.

3rd Place: Sahil

- Problem Faced:
- **Equipment Availability:** Ensuring that the venue, Boys Hostel B, had the necessary table tennis equipment, including tables, paddles, and balls, was essential to facilitate the tournament smoothly. Acquiring and maintaining these resources can be a logistical challenge.
- **Participant Coordination:** Communicating with participants, managing their registrations, and ensuring they were present at the specified times required efficient coordination to avoid delays and confusion.
- Summary:

The Table Tennis Tournament, held from October 16th to October 27th, 2023, at Boys Hostel B, showcased the exceptional skills of 16 talented participants. This fast-paced and exciting sport drew enthusiastic spectators who witnessed thrilling matches. Aviral emerged as the champion, displaying remarkable agility and precision. Aryan Tiwari secured the second position, closely followed by Sahil in the third position. The tournament was efficiently organized and managed by the dedicated members of the Energy Club. They ensured that the participants were briefed on the rules, the venue was set up properly, and fair and impartial judgment was maintained throughout the competition. The event not only celebrated athletic excellence but also underscored the importance of effective event management and cooperation among the participants, contributing to the vibrant sports culture on campus.

Note: The Badminton Tournament, currently ongoing, has experienced a slight delay in completion due to the exceptionally high participation rate and a break during the Dusshera holiday. The events were suspended from 21st to 24th October 2023, as the college remained closed during this period. The tournament will resume and conclude once the college reopens, ensuring a fair and complete competition for all participating teams.

- Challenges Faced:

- **Communication:** Maintaining clear and effective communication with all teams, officials, and volunteers is crucial. Ensuring that everyone has the necessary information can be a challenge.
- **Scoring and Records:** Keeping accurate records of scores and tournament progress is vital. This requires efficient data entry and tracking systems to avoid disputes.
- **Participant Registration:** Managing team registrations, waivers, and player eligibility can be time-consuming, especially in larger tournaments with many teams.
- **Referee Coordination:** Finding and scheduling qualified referees for the games is crucial, but it can be challenging to ensure referees are available and willing to officiate all matches.
- Summary:

The tournament witnessed the enthusiastic participation of teams from various backgrounds, all coming together to display their skills, teamwork, and dedication to the sport. The players exhibited their passion for basketball, creating an electric atmosphere at the court. Special thanks to Kanpur Federation of Basketball for providing referee. Their dedication to providing

better judgment and ensuring fair decisions upheld the highest standards of sportsmanship and fair play.

In the end, it was Team Samarth that emerged as the champions, displaying exceptional teamwork and individual skills. They secured the first position and were rightfully honoured for their outstanding performance. Team Rishi secured the second position, closely following Samarth, and Team Yuvraj claimed the third position in this closely contested competition.

Acknowledgment:

We extend our heartfelt appreciation and gratitude to the individuals and teams whose unwavering dedication and collaborative efforts made the October 2023 sports events a resounding success.

- **Energy Club Members:** The tireless efforts in managing various aspects of the athletic meets, from organizing the events to briefing participants on rules, setting up venues, and ensuring smooth execution, were instrumental in the success of the tournaments.
- **Referees:** To our esteemed referees who officiated with professionalism and integrity, ensuring fair play, and promptly resolving disputes, we express our sincere thanks for your vital role in maintaining the spirit of competition.
- **Staff:** The behind-the-scenes support from our dedicated staff, including groundkeepers, logistics teams, and technical support, played a crucial role in the seamless execution of the events. Your dedication did not go unnoticed.
- **Participant Coordinators:** The careful and meticulous coordination of participants' registrations, ensuring their presence

at the right times, and handling inquiries contributed significantly to the events' smooth flow.

We would also like to commend the true sportsmanship and healthy competition displayed by our participants. The dedication to fair play, respect for fellow competitors, and commitment to the values of sportsmanship enriched the events and elevated them to more than just contests. The spirit of camaraderie and mutual respect added an extra layer of excitement and contributed to the vibrant sports culture on campus.

The collective efforts fostered a vibrant sports culture on campus, promoting not only athletic excellence but also sportsmanship and camaraderie. The contributions were pivotal in making these events memorable and enjoyable experiences for all involved.

Conclusion:

The sports events of October 2023 celebrated not just athletic prowess, but the values of true sportsmanship. From Chess to Basketball, these events showcased healthy competition and camaraderie. Challenges were overcome with planning and teamwork. Disputes were resolved with integrity and respect, highlighting the ethics of sportsmanship. The Energy Club's dedication ensured seamless management. However, there are ongoing tournaments and many upcoming tournaments carefully scheduled to ensure smooth management, prevent clashing schedules, and ensure maximum participation, offering numerous benefits to our students. This approach not only enriches our sports culture but also demonstrates our dedication to ethical competition.
